

COUNTRY CLUB EAST

AT LAKEWOOD RANCH

Guideline # 12

Hurricane Shutters, Awning and Decorative Doors

Hurricane shutter housing must coordinate with the color of the house. Decorative shutters/awnings must match or contrast with the color of the house. Retractable awnings, roll up or retractable hurricane screen(s) are only allowed within the screened enclosure. These items are not permitted to be installed outside of the screen lanai or screen room enclosure. Retractable hurricane shutters must be approved by the MRC.

The following must be submitted to the MRC:

- a. Must submit location and means of attachment
- b. Submit photo of house with installation sites
- c. Color Sample/Picture/Material- color brochure preferred
- d. Type of awning/shutter/door or screen
- e. Submit license and insurance for installation

I hereby agree to follow the requirements for installing hurricane shutters or awnings
